YOUR WORLD

INTERNSHIPS WITH SU VICTORIA

Schools Ministry

Children and Families Ministry

Camp Coolamatong

SU Victoria is passionate about empowering and equipping people for mission and service.

We offer a range of vocational training opportunities to develop your leadership and skills, stretch and grow your faith and give you an amazing experience. An **SU internship** is a great way to spend a gap year and impact young lives.

SU offers internships in our **Camps** and **Schools Programs**, working towards qualifications in Youth Work, Outdoor Recreation or Christian Ministry and Theology.

SU's **Children's and Families** Internship provides ministry training and leadership development, partnering with the intern's church to provide a practical ministry placement.

For all information and to apply go to suvic.org.au/interns

You can make a difference today! **Are you ready to transform your world?**
