

Thank you God for *Feet*:

**Everywhere we go
you are with us.
Please help us to
remember this.**

Thank you God for *Hair*:

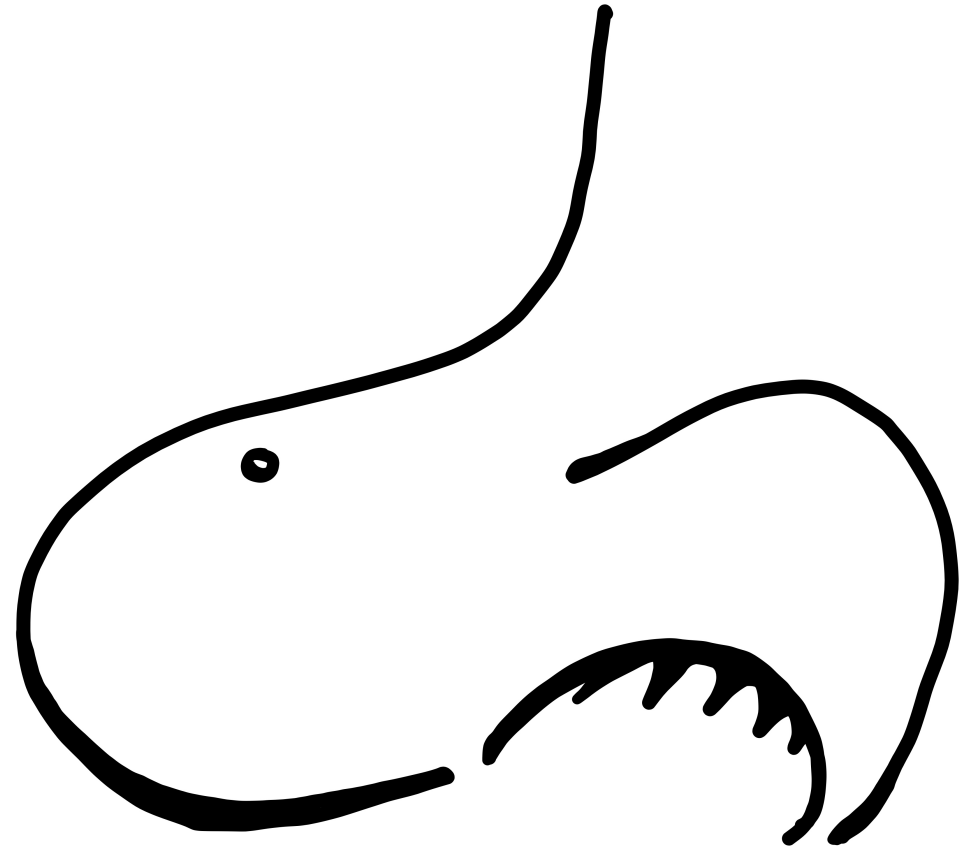

**Thank you that you
have made each one
of us beautiful,
but different.**

Thank you God for *Noses*:

**Thankyou that our noses
can tell the difference
between good smells
and bad smells.**

**Help our minds to know the
difference between
good things to do
and bad things we can avoid.**

Thank you God for *Hand*

**Please let our hands
show kindness
to everyone we meet.**
