

I'm not sure, I've got to check this out or think carefully about it.

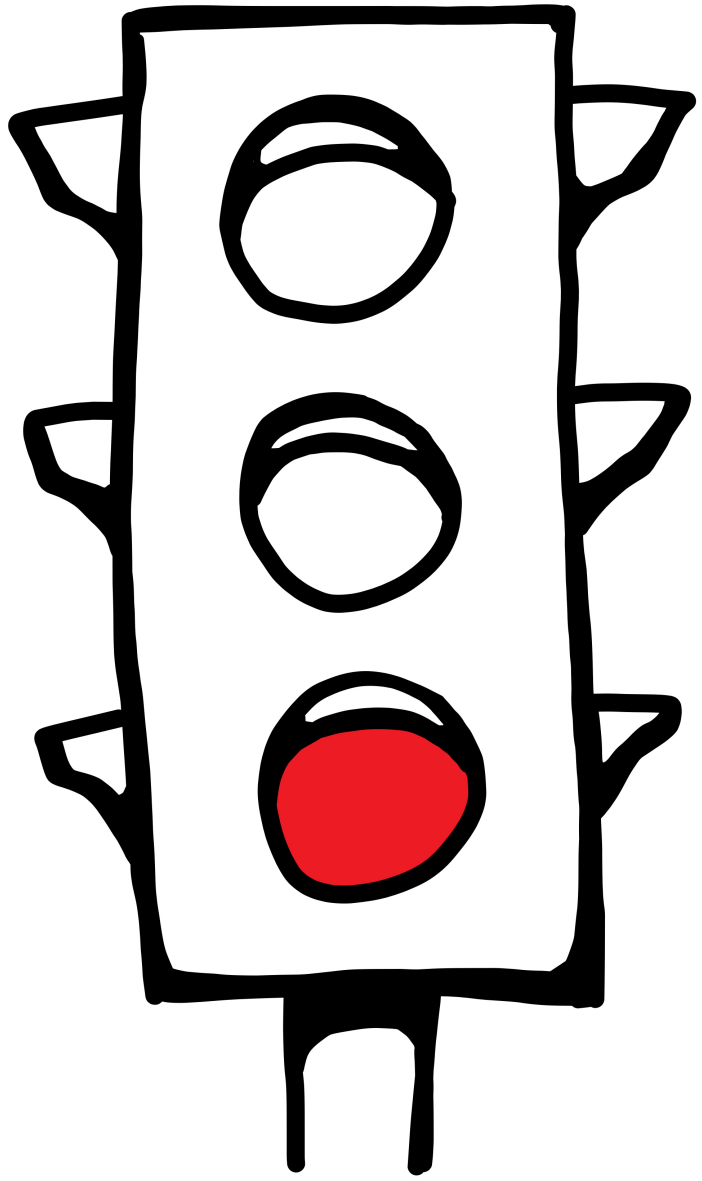

Careful – I'm not sure about following Jesus, I've got some questions...

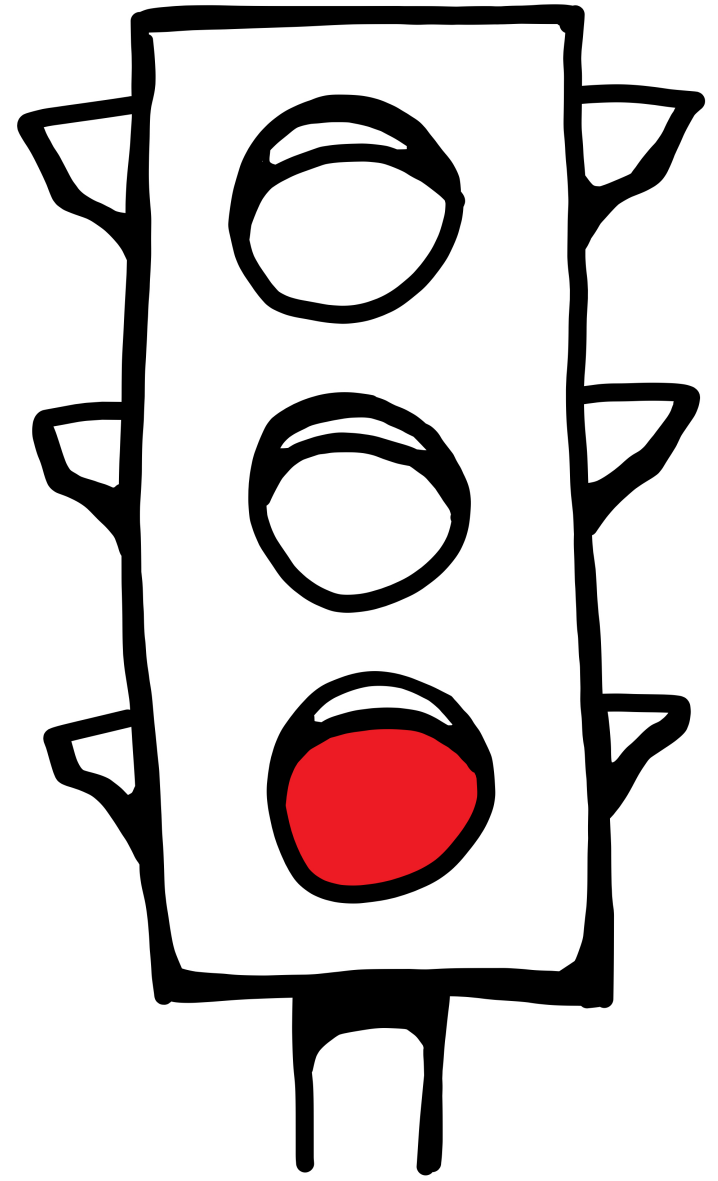

Yes!!! Totally.

Go! – I'm on the way following Jesus and getting to know him.

Nope, not going there.

Jesus sounds ok, but I'm going to
just stop and wait a while.
I'm not ready to follow Jesus yet.

That's the opposite of what I have been thinking. But yes, that's a totally new direction that's good for me.

I think I haven't been paying attention to Jesus, but today I think it's time for a U-turn, to turn and start heading back to Jesus
