

John: Rewind

Read this poem forwards or backwards!

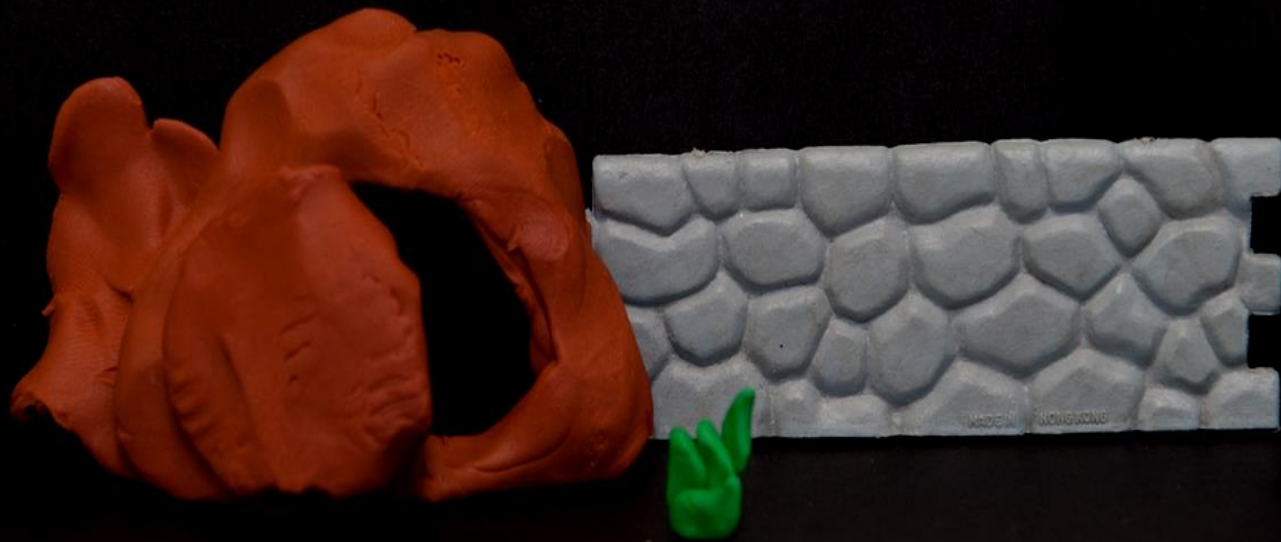

Jesus alive and Jesus forgiving

Friends plainly saw his body now living

Women found an empty grave

Jesus was buried in a rich man's cave

Sentenced to death on a criminal cross

**A dodgy trial,
by a Roman boss**

Betrayed, let down, denied by his friend

Jesus knew his purpose and end

**Jesus the teacher,
the prophet,
the healer**

**John knew
that Jesus
was God's
true revealer**

**Jesus goes back -- long before his birth
Way back before the making of earth**

His story has no start or end
Jesus will be our forever friend
