

Tape longways to the outside of bottle, with text facing inwards.

Mark 4:35-41

35That evening, Jesus said to his disciples, "Let's cross to the east side."

36So they left the crowd, and his disciples started across the lake with him in the boat. Some other boats followed along.

37Suddenly a windstorm struck the lake.

Waves started splashing into the boat, and it was about to sink.

38Jesus was in the back of the boat with his head on a pillow, and he was asleep.

His disciples woke him and said,

"Teacher, don't you care that we're about to drown?"

39Jesus got up and ordered the wind and the waves to be quiet.

The wind stopped, and everything was calm.

40Jesus asked his disciples, "Why were you afraid? Don't you have any faith?"

41Now they were more afraid than ever and said to each other,

"Who is this? Even the wind and the waves obey him!"
