

Mustard seed poem from Mark 4:30-32

Voice 1

What is God's kingdom like?

What story can I use

to explain it?

It is like what will happen

when a mustard seed

is planted in the earth.

It is the smallest seed

in all the earth.

Once it is sown,

it grows bigger

than any plant in the patch

It even puts out

Branches that are big

Big enough for birds

to nest in its shade

to nest in its shade

to nest in its shade

Voice 2

What picture can I strike?

What poem can I choose?

In my brain bit

So people start clappin'

This is well know

big big bigger

no vegie can match

this will make you shout

Big big big

Let me hear the words

repeat to fade

repeat to fade

repeat to fade
