

Doctor, doctor, I feel like a carrot!

Don't get yourself in a stew

Doctor, doctor I can't help thinking
I'm a goat.

How long have you felt like this?

Since I was a kid..

Doctor doctor, every time I drink a
cup of hot chocolate I get a stabbing
pain in my eye

Try taking the spoon out first

Doctor doctor, I broke my arm in two
place

Well stop going to those places.

Doctor, doctor, I think I need glasses

You certainly do! this is the
fish and chip shop...

Doctor, Doctor I feel like a pack of
cards.

I'll deal with you later !

Doctor, doctor, I feel like a dog.

How long have you felt like this?

Since I was a puppy.

Doctor, Doctor I feel like a bee.

Well buzz off I'm busy !

Why didn't Elsa see a doctor for her sore throat and cough?

Because a cold never bothered her anyway.
