

# CHIC

CHIC is a flexible program designed to help young women between the ages of 11 and 15 develop, learn and grow. Through a variety of challenging, fun activities and related discussions participants explore issues including identity, self-worth, respect for others, relationships, bullying, social justice and conflict resolution. SU Chaplains and volunteer community mentors currently run SU's CHIC program in both urban and rural schools in Victoria.

Childsafe training, volunteer checks and registration, insurance, access to ongoing coaching and SU's experience are all part of the SU partnership.

Further information about the CHIC program can be found on our website, or call us for a CHIC Kit.
